

Education Courses at The Box Moor Trust 2009-2010 Foundation Stage, Key Stage 1 and Key Stage 2

Course Title	Description	Fdn	KS1	KS2
Autumn Adventure, A Winter Walk, Signs of Spring	Using the natural environment and a story to look at the seasonal changes taking place on the Box Moor Trust estate.			
Green, Smelly and Noisy	Sensory exploration of the natural environment (sight, sound, touch, smell).			
Splashing Around or Found on the Ground?	Discovering and identifying animals in pond and woodland habitats.			
Land Art	Using natural materials to produce 2-D bio-degradable art in an outdoor setting.			
Simply Plants	An interactive look at the diversity, structure, growth and uses of plants.			
Don't Get Lost!	Early map reading and map making skills, based on stories such as 'Going on a Bear Hunt'.			
Marvellous Materials	The properties and uses of the natural materials found on the Box Moor Trust estate.			
Reuse it or Lose it!	The 'Three Rs' (reduce, reuse, recycle), sustainability and tracing our packaging from 'cradle to grave'.			
Rock Detectives and Soil Sleuths	The properties and uses of the rocks and soils found on the Box Moor Trust estate.			
Environmental Art	3-D art using natural materials in a woodland setting (including reference to the work of Andy Goldsworthy).			
Amazing Maps	More advanced map reading and map making skills, including compass and orienteering work.			
The Circle of Life	Exploring animal and plant reproduction and life cycles using different habitats.			
Powerful Plants	The diversity, adaptations, uses and life cycles of plants.			
Food Glorious Food	Feeding relationships, food webs and, using the Box Moor Trust estate, how humans fit in.			
Adaptation and Classification	Using pond dipping, mini-beast hunting and trees to learn about adaptation and classification.			
River Studies	The physical features and water quality of the River Bulbourne as it runs through the Box Moor Trust estate.			
Literacy on Location	Creative writing and poetry appreciation in an outdoor setting.			
Numbers and Nature	Using a range of mathematical techniques to learn about nature and estate management at the Box Moor Trust.			
Once Upon a Time	Using familiar stories to promote different areas of the curriculum.
